### Semillon 2008

This is an aromatic wine to be enjoyed in its youth with seafood and cold entrees and careful cellaring will be rewarded with the wine developing into a classic Hunter Semillon.

### Chardonnay 2008 Our flagship Wine

Has scents of citrus and crushed almonds, Crisp honeydew melon flavour shows on the front of the palate and white peach and delicate croissant and lemon butter fruit characters integrate with cashew-like oak on the middle palate. Flinty acid displays at the finish.

### Verdelho 2008

This fruity white has passion fruit blossom scents and tropical fruit salad flavour on the front of the palate. Orange peel characters, underpinned by toast and honey nuances, join in on the middle palate and the finish brings forth slatey acid.

### Winifred Barbera 2008

Coffee and berry fruit flavours backed by undertones of, mulberry and plums provide the distinctive mouth feel for this Barbera. There are aromas of clove and oriental spice from maturation in American oak and natural acidity and tannin structure are significant features.

### Gabrielle Dolcetto 2006

This wine has gamey, raspberry scents and brings firm blueberry flavour to the front palate. Morello cherry, mocha coffee and licorice fruit characters integrate with savoury oak on the middle palate and dusty tannins show at the finish.

### Gabrielle Dolcetto Rosé 2008

A delightful dry French style Rosé especially good for social get togethers. Displays the same unique characters of the Dolcetto grape and the addition of a little herbaceous Semillon is a daring innovation.
