# Facilities

The Anderson Room is within the Catherine Vale Cellar Door, and takes in the outstanding views of the Broke Fordwich wine region valley.

It is a beautiful and ideal venue for whatever occasions you may desire and can comfortably seat around 50 guests.

Our commercial kitchen provides you with the option to cater for yourself, or to bring in your own caterer.

We can provide menus from a number of local catering services, and BBQ facilities are available for outside events.

Accommodation can be organised locally from the varied accommodation places on offer. We can also organise transport to and from your accommodation.

Toilet facilities include two female, two male and one handicapped.

# Your Wedding

The Catherine Vale Cellar Door was designed to resemble a church, in keeping with the vineyard house, originally a church manse. It features soaring ceilings and is the ideal space to inspire a lifetime of memories.

The vineyard and surrounding bushland provide a stunning backdrop for outdoor ceremonies and photography. We can arrange the hire of a marquee to be set in place on the manicured lawns.

Alternatively, there are also two churches in nearby Broke for your special day.

Talk to us about how we can help you make your day perfect.
